

February 2, 2012

Dear Aaron Community,

Please join us in welcoming Roberta Palumbo who will be joining us as the new Head of Aaron School effective July 1, 2012.

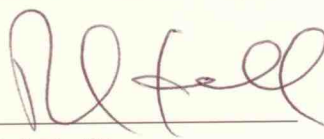

Roberta has more than twenty years of combined experience in teaching and leadership. Roberta has extensive management and curricular experience, and has most recently served as the Head of School at Dore Academy in Charlotte, NC. Roberta's philosophy and approach to education include a strong commitment to ensuring a safe learning environment where each child can grow emotionally, socially, physically, and academically according to his or her own strengths. We are excited to have her join our team and lead Aaron School.

We'd also like to recognize and thank the Advisory Committee for all of their work leading up to this decision; we appreciate the thoughtful conversations and direction during this process.

We now begin the next phase of the transition activities, which are being organized by Roberta as we speak. She will provide an agenda which will include time for student, parent and staff meetings that are expected to occur between mid-February and July 1. During that period Barbara and Debbie will continue in their current roles, as well as provide leadership and assistance during the transition. Please speak with either Barbara or Debbie if you are interested in having time to meet with Roberta for her first visit since the announcement, which will be on February 16th-17th.

The wonderful experiences for our children, families and staff will continue, as we grow to greater heights. We look forward to the future with all of you.
